

Associated/ACC International
The flooring resource since 1921

Welcome to Associated/ACC International.
A better, faster and simpler way of doing business.

Three generations of pride and excellence.

Associated/ACC is the largest independent national flooring resource in the country.

Our size and reputation for excellence leads manufacturers of the most innovative flooring products to come to us first, giving us the ability to provide the world's best products, some exclusively.

Our experience and commitment to customer service allows us to install any product we sell in North

America and in most major cities around the world. Our buying power ensures that we secure the most attractive pricing for our customers. And, we have been doing this for more than 90 years.

Starting as a Brooklyn, New York storefront in 1921, we have grown by focusing on the needs of our clients and then satisfying them better than anyone else. In fact, we continue to do business with the “grandchildren companies” of

our first client, Thom McAn Shoes. As our company has grown, our offerings have evolved as well.

Spin Metal is one of our latest lines of exclusive, high-tech flooring solutions.

We pioneered the concept of national single-source personal accountability, and spent the next 90 years developing an unparalleled installation network. We forged partnerships with key manufacturers and created proprietary products. And we have grown to now serve professionals in Retail, Hospitality, Contract, Healthcare, and many other markets.

Totally objective and with an extensive offering of products that meet our exacting standards, we help our customers satisfy

business, cost and aesthetic goals. And with an unbiased perspective, yet with access to the best products available today in every price range, we are truly unique in the industry.

Call 1-800-800-4320 for more information about Associated, specific products, or to find out how to make us your flooring resource. Or you can visit our website at, www.assocint.com.

We look forward to counting you among our valued customers.
